

IROQUOIS INDIAN

By Krista Caward

Where Did They Live ?

The Iroquois lived near Lake Ontario and along the Mohawk River.

SHELTER

They lived in long houses that were made out of bark. There long houses were as long as a football field.

Clothing/Tools/Hunting Weapons

The Iroquois Indians used a bow and arrow to kill animals like deer and bear to eat.

Food They Ate

The Iroquois Indians ate corn beans and squash and deer and bear.

Conclusion

I learned that the Iroquois Indians built and fought for everything they had.
