The Pack

Wolves live in a pack together as a family. The leader of the pack is called the alpha male or the alpha female. The alpha will howl to get the pack together or for fun. If the alpha has pup's she will stay in the den.

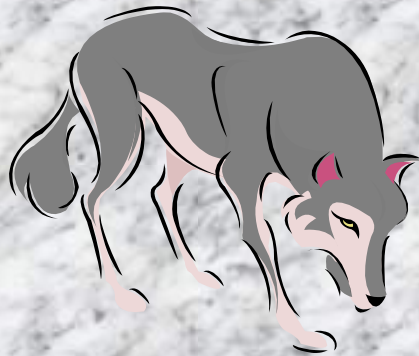

Pack Size

A pack can have up to thirty six
wolves or less.

The Pack Leader

The pack leader is called the alpha male or the alpha female.

Where wolves live

Wolves can not live in your home, they like to run free .
They do not like to eat out of a bowls and do not like
kennel's.

Most wolves live in Yellow Stone Park. Some just live in and out of places.
