

Iroquois Life Time

By Ethan Park

Shelter

Iroquois Indians lived in longhouses and wigwams.

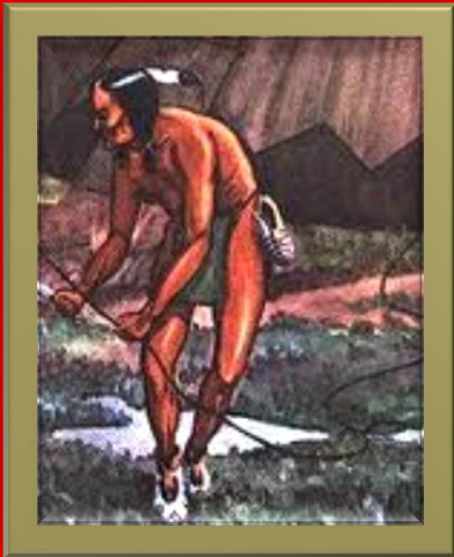

Where did they live

Iroquois Indians lived in New York along
Saint Lawrence River.

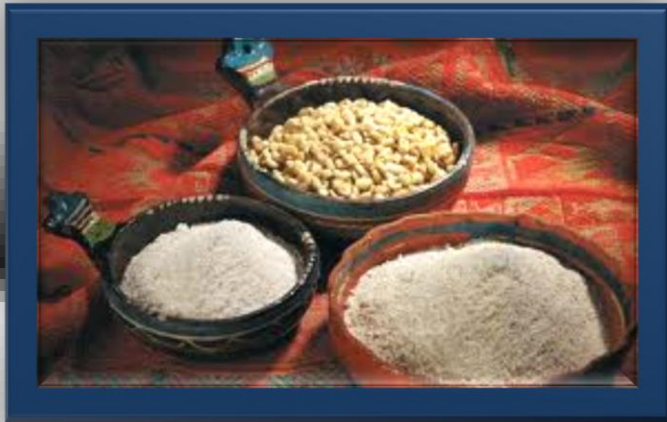

Clothing Tools Hunting weapons

Iroquois Indians used animal bones as weapons.
Iroquois Indians would kill their prey and use skin for clothing.

Food

Iroquois Indians ate squash, corn, deer meat and bear meat, beans.

Conclusion

I liked Iroquois Indians because they had way more different life's then us Americans.
