Bio Poem (About Me)

When I'm finished with my quiz please do your best, on your own, to neatly fill in the form on the back.

Next week, we will go to the computer lab to complete a research project on a past scientist. This Bio Poem will help me get to know you a little more, as well as getting you thinking about who scientists are and what they do.

Here's a sample:

First name:	
Born: When/where?	
My family: Daughter or son of... Or sibling of...	
Three traits/words that <i>describe</i> me:	
My passion: (two -three things, people, or ideas you love)	
Who wonders or believes:	
Dreams: When I grow up I'd like to be / do...
