* If it is a major city, that's all you need (New York, Minneapolis, London, Paris, etc.) If it's a lesser-known city, include the state or country (e.g., Elmira, NY or Rouen, France)

**Usually the first three letters of author's last name, though can be complete author's last name. For biography, use the first three letters or entire name of the subject of the biography (e.g., LIN or Lincoln)

These fields should not be touched.

These and the 690 fields (all the 600 fields, actually) are subject fields.
