

**Searching for Holding records with no barcodes in the 852#p field**

The screenshot shows a search window titled "Search" with the following fields and annotations:

- Search For:** A dropdown menu set to "Holdings".
- Field:** A dropdown menu set to "001". A yellow callout box points to it with the text: "Overtyping with 001 (every record should have this field!) You could also leave it as 'Anywhere.'"
- Operator:** A dropdown menu set to "AND".
- Field:** A dropdown menu set to "852#p". A yellow callout box points to it with the text: "Overtyping with 852#p".
- Operator:** A dropdown menu set to "NOT". A yellow callout box points to it with the text: "Change the 'OR' to 'NOT'".
- Field:** A dropdown menu set to "Anywhere". A yellow callout box points to it with the text: "Overtyping with 852#p".
- Text:** An asterisk (\*) is entered in the text input field. A yellow callout box points to it with the text: "The asterisk (\*) is computer language for 'everything.'"

At the bottom of the window, there are "Search" and "Clear" buttons, and a status bar that reads "Search Status: Completed".
