

Horseheads High School

LIBRARY

2018-2019

Borrow eBooks & audiobooks
from our school collection

OverDrive

Overdrive and its Sora app made their debut in the high school, giving students and staff the ability to download ebooks and audiobooks to personal devices.

District Librarians attended the NYLA SSL Conference in Syracuse in May, 2019

The new Eastern copier/printer placed near the library entrance allowed for easier access for students and staff to release print jobs sent from anywhere in the school.

The Scenes

The morning social, every day this year

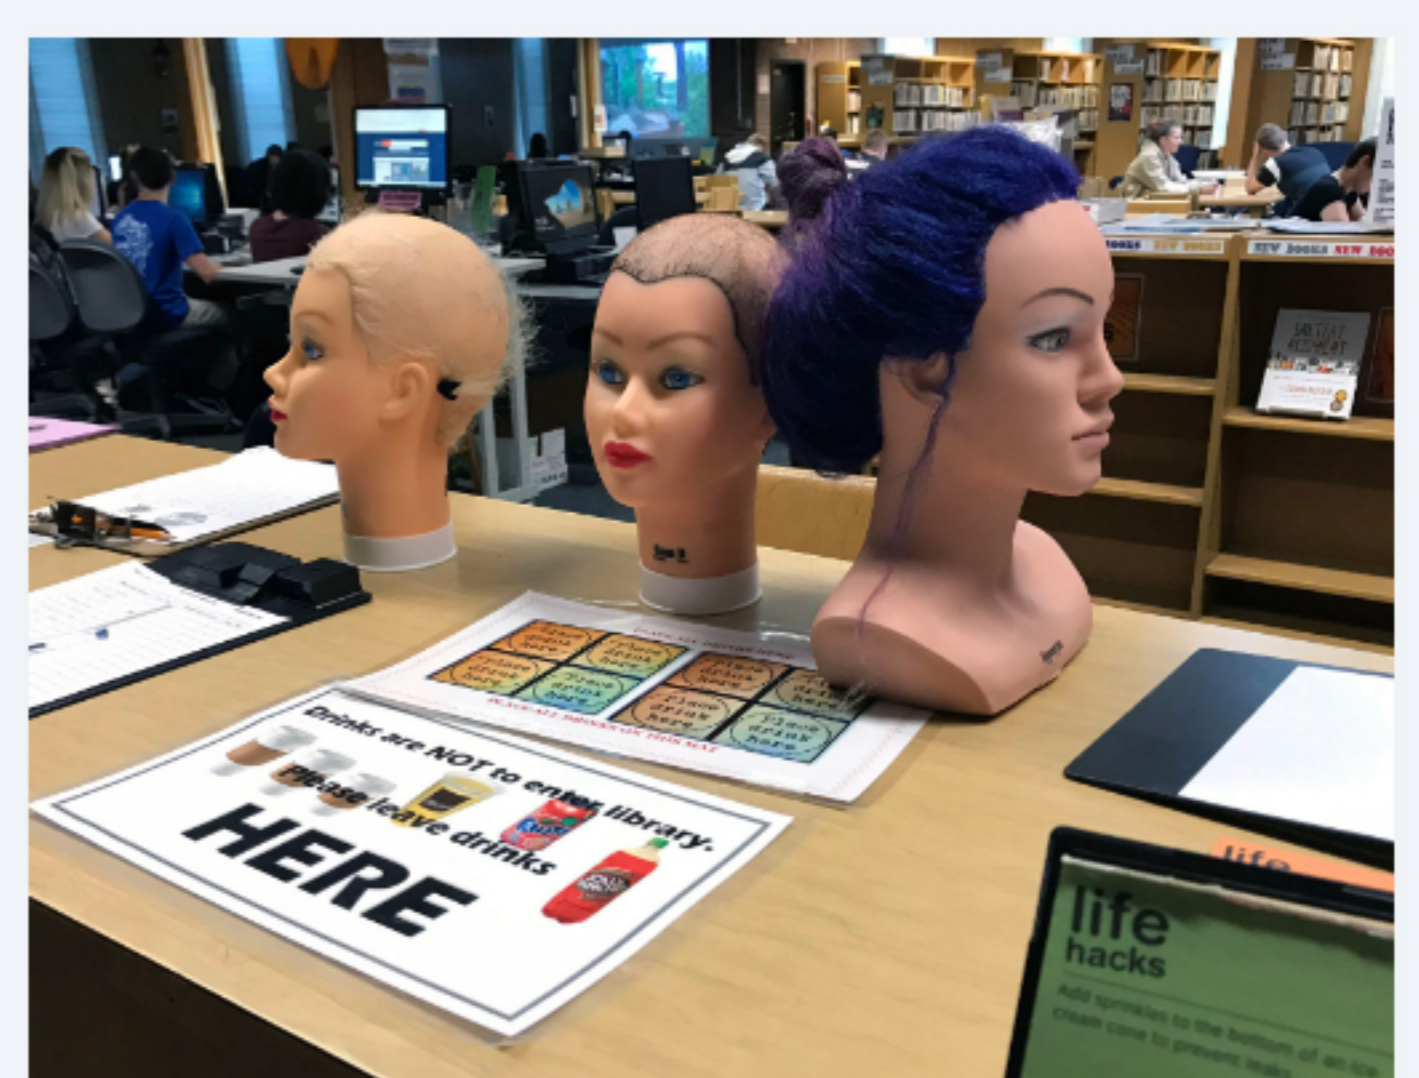

AP World History classes turned the library into a museum with their projects

Global II classes made use of the library's archive of Time to make virtual time capsules of the past 25+ years.

The Horseheads Historical Society lent items from past Horseheads classrooms for a cool display case.

We never quite lost our heads...
