October 25, 2013

To the Parents/Guardians of:

Your student has been identified as needing Academic Intervention Services (AIS). This AIS instruction will provide extra help on a regular basis. This program is designed to improve the student's skills and abilities that are needed in daily activities. It is also intended to prepare students to meet the NYS Learning Standards and perform successfully on the New York State tests required for the awarding of a high school diploma.

The need for extra help was based on your child's performance on one of the following: Local assessment, State assessment. The scores your student earned on the assessment(s) determine the level of service. The assigned staff members will give your child the following levels of service.

<u>Subject Area</u>	<u>Assessment</u>	<u>Level of Need</u>	<u>Service Provider</u>
Language Arts	Teacher Recommendation	Moderate	Math/Reading Support Staff
Math	Teacher Recommendation	Low	Classroom Teacher

High - Need for remedial services. The special education staff, remedial staff, or Academic Intervention Services teachers will provide these services.

Moderate - Need for remedial services. The special education staff, remedial staff, Academic Intervention Services teacher, or classroom teacher will provide these services.

Low - Need for remedial services. The classroom teacher will usually provide these services and/or monitoring. Dependent upon the student schedule and individual needs, special education staff, remedial staff, or Academic Intervention Services teacher may provide these services and/or monitoring.

Federal, state, and/or local funding sources support this program.

You can provide considerable help through your encouragement and by providing situations where reading, math, writing skills, social studies, and science can be practiced. If you have any questions please call the school at (607) 739-6366

Sincerely,

Michael Bostwick, Principal
