

May 29, 2013

Dear Parents/Guardians,

The Horseheads Central School District will again be supporting a program for students who could benefit from additional help in English Language Arts (ELA) and/or mathematics. The main goal is to slow or stop summer learning loss called academic regression. The program is for current K-6 students who have been identified as needing support through Academic Intervention Services (AIS) or recommended by their classroom teacher. Your child has been identified as eligible for this opportunity. There will be no cost to attend the Summer Learning Academy.

If you are interested in sending your child to the Summer Learning Academy, please fill out the entire registration form, and send it back in the pre-stamped envelope by **Thursday, June 6th**. More specific information will be available as we draw closer to start of the Summer Learning Academy.

Below are some basic details about the program. Please consider the following when registering your child:

- Summer Learning Academy will address skill deficiencies in ELA and Mathematics
- Location: Intermediate School on Sing Sing Road, Horseheads
- Transportation will **NOT** be provided by the school district
- Program is for current students in grades kindergarten through 6
- Students will be placed in age-appropriate classrooms
- July 8th–August 1st, Monday through Thursday, 8:00 am – 11:00 am
- Instruction provided by certified classroom teachers
- Consistent daily attendance is recommended for academic growth

Thank you for your time and consideration in sending your child to the Summer Learning Academy.

Sincerely,

Virginia Abrunzo
Director of Elementary Education

Quality Education for All

The Mission of the Horseheads Central School Community is to provide a quality education for all within a nurturing environment which promotes excellence, growth, and a sense of civic responsibility.
