

**Cuban Missile Crisis Leadership**

**Name** \_\_\_\_\_

**Period** \_\_\_\_\_

**Date** \_\_\_\_\_

|  | Castro <a href="#">CLICK HERE</a> | Kennedy <a href="#">CLICK HERE</a> | Khrushchev <a href="#">CLICK HERE</a> |
|--|-----------------------------------|------------------------------------|---------------------------------------|
| What country does he lead?   |                                   |                                    |                                       |
| Describe an event from early in his life that shaped his personality.                            |                                   |                                    |                                       |
| How did his earlier experiences influence the decisions he made during the Cuban Missile Crisis? |                                   |                                    |                                       |
| What are his goals during the Cuban Missile Crisis?  |                                   |                                    |                                       |
| How do you think the Cuban Missile Crisis affected each of these three leaders?                  |                                   |                                    |                                       |
