

FAMILY & STUDENT COMMUNITY SUPPORTS
DURING COVID-19

MENTAL HEALTH CLINICS

Tioga County

Owego Clinic: Open 9AM-5PM

Phone Number: 607-687-4000 Unscheduled walk in services are available via telephone. Intake paperwork is completed over the phone.

Waverly Clinic: Open 8AM to 5PM.

Phone Number: 607-687-4000 Offering phone therapy and are calling all families remotely.

Crisis Numbers: If in crisis (danger to self or others), call **687-4000** or Sheriff's Office if it is after 5:00 pm **(607) 687-1010**.

Chemung County

Phone Number: (607-733-5696)

Crisis line available 24/7: (607) 442-6900. They are currently encouraging phone counseling with established patients. They will take new clients, but they currently have a wait list. If a person is in crisis, they recommend calling their crisis line.

NEW HOPE CENTER – FAMILY COUNSELING & DOMESTIC SUPPORT

The New Hope Center specializes in family supports, individual and family counseling, safety planning, and all matters regarding domestic violence and some custody or visitation concerns.

They have counselors available 24/7. They have a phone hotline set up and a text line where someone can send a text rather than call. They are available in a crisis situation. Their counselors are also available for appointment (via phone) to provide counseling to families or develop safety plans if safety is an issue.

Phone Hotline: (607) 687-6866 24 hours/day hotline

Text Line #: (607) 972-1996 24 hours/day text line

GLOVEHOUSE PREVENTIVE SERVICES

Glovehouse preventive services can help with child behavior problems and/or family support related to child's behavior. All consultation and referral services are offered via telephone, text, and email at this time.

Current clients can contact Nicole Purdy directly. You have her number. If you are not a client, but are interested in services, please contact your school counselor, who can make the referral.
